DENTAL Carrier Transition

EFFECTIVE 9/1/2020

Effective September 1, 2020, the **District's Dental Carrier** will switch from Horizon Dental to **Delta Dental**.

Dental Benefits will continue to remain equal-to-better to the existing dental plan, however with Delta Dental, members will be provided a new annual maximum under Delta Dental effective September 1, 2020 through December 31, 2020 regardless if a member has exhausted their dental annual maximum.

Delta Dental has the largest nationwide network allowing member dependents access to dental care nationally. In addition, with Delta Dental, members will now have access to two enhanced benefits, Dental Carryover Maximum feature as well as the Oral Health Enhancement.

- **Enhanced Benefits:**
 - **Oral Health Enhancement** - Members who have been previously treated for periodontal (gum) disease will receive up to four dental cleanings and/or periodontal maintenance procedures. (please refer to detailed flyer for benefits)
 - **Carryover Max** – Allows members to carry up to 25 % of their unused annual maximum up to \$500. (please refer to detailed flyer for benefits)
- **Improved Rates – Equal-to-Better Guarantee**

Please be advised members will receive new dental ID cards in the mail the week of August 24th. Members will also be able to download their ID card through Delta Dental website or mobile app. (flyer on instructions attached).

We trust members will enjoy Delta Dental's enhanced benefits and the strength of the Delta Dental network.

Sincerely,
